PRESIDENTS REPORT FOR YEAR ENDING 30-6-2010

It is with pleasure that I present this report to the delegates and members on the activities of the Victorian Veteran Golfers Association for the financial year ending 30/6/2010.

As I reflect on the past years and the year that has just passed I am pleased to report that our members have enjoyed another most successful year of golf and activities provided by the twenty-one districts and the Council for the members of the Victorian Veteran Golfers' Association.

To the Districts, Golf Clubs and Organizing Committees, who have hosted our major events for the enjoyment of our members, your commitment to the planning and running of these events has been appreciated by all of our members who have attended these events. However I would ask the districts and clubs, who intend to make an application to host our Association's major events in the future to keep the price of entry to these events at a reasonable cost.

During my time as President, my wife Elaine and I have appreciated the warm welcome, and the hospitality that has been shown to us, and the number of friends we have made.

Once again there has been a significant increase in the number of ladies who are attending our major events . We welcome them all, and hope they have enjoyed the friendships made and the activities, that have been provided for them by the clubs that have hosted these events.

To all the VVGA Council members, especially our Life Member, Secretary Malcolm Macpherson, I thank you all for your time and dedication in the organization and operation of our Association.

The VVGA Council has appreciated the ongoing support that has been given to the Association by Parmaker over the pass fifteen years, and for providing access for our Association on their Web Page www.parmaker.com.au/vvga where downloads of the Minutes of Council Meeting, Tournament Entry Forms, Golf Australia and Golf Victoria Seniors events, Results, Country and Metro News Ladies, AVGU and Council News is available. Your contribution to these pages would be most welcome. To the members who do not have a home computer, contact your local library I am sure that they will be only pleased to help you get on line.

The Hacker Magazine has all provided Veteran Golfers the opportunity to contribute articles and photos of interest for publication all free of charge. Contact the Garry Kennedy direct at www.hackergolfmagazine.com.au, or phone 9439 0500. I also urge you to subscribe to this informative magazine.

I also acknowledge the following for their outstanding service or their contribution to the Veterans Golf, Parmaker, Hacker Magazine, , Rojay our Web Manager, Paul Campbell and all District Secretaries.

A special acknowledgment to Perry Fletcher our long term engraver for his dedication and support of the Veteran Golf by donating the Perry Fletcher Award, the Presidential Decanter and for visiting the State Championship each year to engrave the winners names on trophies he has supplied. His magnificent gesture in donating the replica badges for past and future recipients of the Perry Fletcher Award will emotionally touch each winner and the VVGA is most grateful.

May we all continue to enjoy our golf and the friendships made, through our sport in 2010/2011.

I thank you all, for allowing me the privilege of being your President. It has been both a pleasing and humbling experience to be able to represent you all.

George Thorne
STATE PRESIDENT
VICTORIAN VETERAN GOLFERS ASSOCIATION.
