VVGA TWO DAY CHAMPIONSHIP PROCEDURE

Introduction

1 The procedures detailed in this document are designed to ensure that Tournaments are conducted in a consistent and efficiency manner, which will be of benefit to all veteran golfers. No other events are to be played in conjunction with authorised VVGA tournaments including best nine holes and Pro ball competitions. **Players must play off an Australian Handicap and have proof of handicap.**

2 The VVGA conduct five two-day tournaments that are hosted by Districts and are allocated under a 5 year plan and a 3 year plan for Sandscrape tournaments.

VVGA AGM

3 The VVGA Annual General Meeting is held in the clubhouse of the club conducting the State Championships. The meeting commences at 10am on the Monday of the tournament and the Host District is required to provide a suitable room with seating for 30 persons and an executive table for 4.

Major Sponsor

4 Parmaker Products are major sponsors of the VVGA and Host Districts should ensure that suitable advertising for Parmaker is included on all entry forms.

Tournaments

5 The following two-day tournaments are conducted on an annual basis.

- VVGA State Championship refer Annex A
- VVGA Country Championship refer Annex B
- VVGA Fourball Championship refer Annex C
- VVGA Sandscrape Championship refer Annex D
- VVGA Teams Championship refer to Annex E

6 **All VVGA events are to incorporate a shot gun start**

Allocation of Two Day Tournaments

7 Applications by clubs to conduct two-day tournaments are to be submitted on the application form attached as annex F through their District. Should the District support the application the Zone Councillor is then required to make a recommendation and submit the application to the VVGA for decision .

8 Districts will be notified of the VVGA decision as soon as practicable.

Financial Matters

9 The Organising Committee in consultation with the appropriate Zone Councillor are responsible for the establishment of tournament fees, which should be kept as low as possible but set at a level that will ensure the conduct of the tournament is financially viable.

10 Organising Committees are to include in their tournament budget the VVGA levy, which is applied as follows:

- State Championship** **\$3 per player**
- Country Championship** **\$2 per player**
- Fourball Championship** **\$2 per player**
- Teams Championship** **Nil**
- Sandscrape Championship** **\$2 per player**

Pre Tournament Planning

11 Organising committees are required to follow these procedures and ensure that conduct of the tournament meets the expectations of the VVGA and the veteran golf community

The Match Committee of the VVGA is available for consultation and if required to assist in pre tournament planning.

12 The organising committee are responsible for the following;

- Compile and despatch entry forms to all Councillors and Districts.
- Arrange sponsorship.
- When entries have closed the draw is to be compiled and forwarded to all members of the VVGA Council, District Secretaries and those players who have either provided an Email address or a stamped self addressed envelope.
- Allocate the trophies according to the trophy list contained in the specific tournament details.
- Arrange for trophy cards to identify trophies on the trophy table.
- Prepare score cards showing names handicaps, event and position in the field eg 11A.
- Colour code cards to clearly identify the competition being played.
- Numbering of score cards.
- Prepare a clearly visible noticeboard and include
 - Draw in alphabetical and tee order
 - Course layout
 - Tournament conditions
 - Nearest the pin holes
 - Tee markers to be used etc
- Prepare scoreboard ensuring card numbers correspond with numbers on the board

- Ensure tee markers and cups are in reasonable positions to ensure maximum enjoyment by all players.
- Prior to play check that Hazard and GUR markers are in place and discuss any contentious issues with the VVGA Match Committee.

Observe the following times

Day 1 Registration 10am -11 am **Start 11.30 am**

Day 2 Registration 8am-8.30 am **Start 9am**

Draw

13 When compiling the draw it is preferred that players from the same District are not drawn together in single events and where possible have different playing partners each day.

Refund policy

14 Where a Veteran member who has nominated for a Tournament notifies the Organising Committee that he is no longer able to attend, a refund of his entry fees should be made. However when a late notification is received the Organising Committee may well have made financial commitments and only a partial refund may be possible. As a general guideline the VVGA encourages a full refund if circumstances permit.

Tournament Control

15 All VVGA tournaments are to be conducted under the control of the VVGA Match Committee chaired by the VVGA Captain. All queries are to be referred to this Committee who have the authority to deal with and determine suitable action. The relevant Zone Councillor will be co-opted to the Match Committee for the tournament and is required to liaise with the Host District Organising Committee.

Registration

16 On arrival at the course players are to be directed to the registration point, which, is to be easily identifiable, and where attendance is recorded on an alphabetical listing showing allocated tees. Advice on the time and location of the tournament briefing is to be provided to every player.

17 Any sponsor gifts may be issued during registration.

Tournament briefing

18 When all players are accounted for the Tournament Director calls assembly and announces any local rules, scoring procedures, the method of sounding the start of play, the location for the return of score cards and other relevant matters.

19 The Tournament Director must ensure that players do not move to their allocated tees until all 4 players are together to receive their cards and ensure they understand that players marked "A" hit off before "B" when allocated the same tee.

20 Course Marshall's should be appointed by the Organising Committee to direct players to the allocated tees.

On course assistance

21 Organising Committees may use spotters, bunker rakers and in the case of sand scrape events green rakers.

Slow Play

22 Slow play will not be tolerated and penalties will be applied. Host Districts should take adequate steps to alleviate slow play.

Close of play

23 Completed cards are to be returned to the official scorers and sorted in to event category eg Championship, Stableford or Fourball. Cards are then filed in number order in each category of event and recorded on relevant score sheets and the score board. Please ensure cards are correctly signed.

24 The scores Supervisor compiles the trophy list checking cards, score sheet and score board. When satisfied with the correctness the list is handed to the **VVGA Captain or local captain as appropriate for verification and trophy presentation.**

Ties

25 In the case of a tie all Scratch Championship events are to be decided by a sudden death play off under the direct control of the VVGA Match Committee.

Running sheets

26 The host District along VVGA guidelines as shown in Annex H must prepare a running sheet setting out the presentation program

Trophies

27 Trophies are to be displayed on a trophy table and be clearly labelled to alleviate any confusion during the presentations. Costs listed are to be used as a guideline only.

28 Trophy presentations should be conducted as soon as practicable after all cards are accounted for and it is essential that the VVGA Match Committee supervise final results to alleviate any mistakes.

29 Competitors may only receive one trophy per day for the tournaments in which a Four Ball precedes a Stableford event **(except the Alf Jones trophy at the Sandscrapes)** Trophy winners are eliminated from the ball competition. Refer Teams event page 21 for trophy procedure at this event.

Ball Competition

30 Ball competitions are to be conducted in association with Tournaments. *It is recommended that the number of balls issued covers at least 25% of the field. (no count back for balls).* It is requested that golf balls are not thrown in the clubhouse. Cost of balls except at the Teams event to local host account

Nearest the pin

31 Nearest the pin competitions are to be conducted in association with all VVGA events for all players ie no grades to apply Organising Committees should consider awarding the NTP trophies for the best ball on or off the scrapes in the Sandscrape Championship. Cost of nearest the pin trophies to host account.

Results

32 It is requested the Organising Committees phone the tournament results to AAP so that scores may be recorded in Daily newspapers. The procedure is to phone **1800 251 293** and report scores as follows:

- List under Victorian Veterans
- Nominate event eg State Championship
- CCR
- Winners name, handicap, score and home club.

33 Host Districts should take every opportunity to enhance Victorian Veterans Golf by maximising the use of the media including print, radio and television and our Web Site parmaker.com.au (vvga link)

34 Catering for all State Events

At registration on the **Monday morning**, morning tea/coffee should be available for competitors and their spouses/partners. Sandwiches or roll, a small drink and some fruit are provided to all entrants. **On Tuesday morning** coffee/tea should be available for players and Ladies whilst waiting for the bus trip.

After golf on Monday

A light afternoon tea is provided, either individually or in groups at the tables whilst the first day's play results are finalized.

After golf on Tuesday

A light luncheon or equivalent is provided after the round of golf where players sit in tee groups at the tables. It is important that late players receive the same lunch as the early finishers.

On both days, the tee numbers should be on the tables to assist the fellowship of golfers

The entry fee should cover all these items

A function should be arranged for Monday evening and be set up with proper table settings and if possible table decorations. It is recommended that the participants are welcomed by the local hosts and responded to by either the VVGA President, Captain or Councillor

35 Ladies component

It is recommended that a lady from the host club or host District be appointed as the liaison person to provide a link between the organising Committee of the event and the spouses/partners.

The person would be responsible for the organisation of Ladies Golf on the Monday and act as the tour guide on the bus tour on Tuesday

The VVGA are keen to develop the attendance of ladies at VVGA Tournaments and wish to create opportunities to maximise their enjoyment. This factor will be taken into consideration in the selection of venues for VVGA events.

Activities that have been established are

- Ladies and Mens golf on the Sunday prior to the Tournament at a reasonable cost.
- Ladies competition at a course in close proximity of the men's venue. (usually on Monday)
- Where possible according to field numbers it may be possible to include the ladies on the same course as the men***
- Tour of the local area (usually on Tuesday)
- An itinerary of the intended tour should be promulgated on the Entry Form to encourage Ladies to attend.
- Dinner on Sunday and Monday evenings in association with the Tournament.

36 The cost and timing of these activities must be listed on the Entry Form. It is recommended that pre payments are not required as this can cause confusion however an indication of attendance is required to assist tour bookings and catering arrangements. It is suggested that Monday dinner arrangements are confirmed at registration by collecting the cost of the meal and issuing tickets.

37 The tour costs should include morning tea, bus fare and entry to local attractions (lunch is optional). The cost of the tour should be moderate. The tour should be timed to leave the golf club at a similar time to the men's starting time and

return in time to enable people to make a prompt departure. Timings should be depart around 9am and return around 2.00pm. If the tour leaves later than 9am morning tea should be available for the participants.

38 Engraver Perry Fletcher

The official VVGA Engraver Perry Fletcher attends the State Championship to engrave the winners trophies after golf on Tuesday. It is necessary to provide a room in close proximity of the presentation area which affords him quiet to enable him to concentrate on his work.

Amendments

39 The Council of the VVGA may amend these procedures at any time. Amendments will be issued by number as page amendments with the month and year of the amendment enfaced on the bottom right corner of the page. For example Amdt 1-10/04

Annex A

VVGA Championship Procedure STATE CHAMPIONSHIP

The State Championship is the premier event on the VVGA calendar and requires meticulous planning to ensure a professionally presented tournament is conducted.

When compiling the planning budget Host Districts must take into consideration the cost of trophies that are the Districts responsibility and the VVGA levy of \$3 per player.

The VVGA provide the winners trophies and a bag tag for each player, the VVGA official engraver attends these events and engraves the winner's trophies prior to presentation. **A private area must be set aside to allow the engraver to work without interruption.**

Annex E

VVGA Tournament Procedure

VVGA Teams Championship

Host District is to advise the VVGA Secretary of the costing structure to conduct the tournament which includes Club Fees, catering and other itemised costs so that the cost per player can be established.

When arrangements and costing are agreed between VVGA Secretary and the Host District, the VVGA Secretary establishes the cost per team and sends entry forms and notices to Districts.

On receipt of entry forms the VVGA Secretary forwards the entries to the Host District to organise the draw. *The draw must be so arranged so that players are drawn with golfers from other districts and do not play together on successive days.*

Tournament requirements

FIELD	Maximum of 132 players if all Districts enter two Teams of 3 plus the VVGA teams of 6 players, shotgun start
TOURNAMENT TIMING	Refer 5 year plan
COURSE	Available for 2 days and can cater for shotgun starts, with a club house suitable for social events
VENUE	Suitable accommodation within close proximity
ENTRY FORM	The entry form is to be prepared and distributed by VVGA Secretary

Note 1 **Trophies are provided by the VVGA and are allocated to the best 36 hole score and then to the best score on Day 1 and Day 2 (One trophy per player)**

Isolate the player with the best 36 hole score. This player is then eliminated from daily trophies to ensure only one trophy per player .

For example one player could have the best score on Day 1 and Day 2. After elimination the next best score wins the daily trophy

2 The VVGA provide 6 dozen balls for distribution. The host club provides nearest the pin trophies

Miscellaneous

When planning for this event Host Districts should arrange for visiting golfers to have the opportunity to play in the Host Clubs Sunday domestic competition. Plus the availability of an evening meal at the club on the Sunday and Monday. Costs for these activities should be forwarded to the VVGA Secretary prior to the printing of the entry form and notices.

It is also necessary to provide itinerary and costs in regard to Ladies golf and tours so this can be recorded on the Entry Form
