# V.V.G.A ACKNOWLEDGEMENT

Welcome to the 2021, 30th edition of the VVGA fixture booklet and the 27th year that Parmaker have produced the booklet. The Council and members of the Victorian Golfer's Association thank and are most grateful for the support Parmaker have provided to Veterans Golf in Victoria over these years, and that they have been able to extend this valued sponsorship for 2021 which is greatly appreciated.

We also appreciate, value and thank Parmaker for allowing us to have a link on their site, where we are into our tenth year. Go to [www.parmaker.com/vvga](http://www.parmaker.com/vvga), where you will find information including Minutes of VVGA Council Meeting, downloads of entry forms for events, district contacts, district fixtures and news from Country and Metro districts. This has greatly improved our communication to our members. I invite our districts and members to contribute to these sections with local news photos of interest, simply by contacting the VVGA Secretary.

Many of our Districts' are now producing their own web sites to book games, review results and get up to date news on District activities. For members who do not have their own computer, the above information can be accessed at local libraries where the librarian will be please to help you get started.

From the Council and the Host District and Clubs, who hosted our major events in the past year, we thank the members who made the effort to play and support these events.

The Council and Parmaker are pleased with the way the districts and members have embraced Parmaker as our sole sponsor. We must also thank Parmaker for their friendly and excellent after sales service, which is second to none should it be required.

Many of Veteran have availed themselves of the Parmaker products and we encourage members to continue to support Parmaker to ensure we are able to continue this remarkably durable relationship.

In concluding, I must thank Ian purchase for his help and assistance in the production of this Parmaker Booklet for 2021.

# CAR CARRIER FOR PARMAKER RIDE-ONS

A Parmaker is light, compact and will fit into most car boots, however you can also purchase our special 'Car Carrier'. Once bolted to your car's tow bar all you need to do is lift the rear of the machine a few inches and then swing the front wheel into the vertical position. Insert the retaining bracket, screw down the wing nuts, close the padlock and you're away!

## FITS PERFECTLY IN THE BOOT...

Remove batteries & hinge down the tiller

Lift vehicle into boot with ease

Tucked away in the car. Even a small one!

## ...OR TRY OUR SUPER CAR CARRIER!

Lift onto car

Connect bracket

Screw down

Close padlock

And off you go!

Parmaker make the strongest buggies on the market. Our confidence in our design and build process is so strong that we offer an extended 5 year warranty as an optional extra on all new buggies.

The warranty covers all parts and labour (but not misuse - so no drag racing in the carpark, ok!). The warranty is only available on buggies purchased from Parmaker (or [parmaker.com](http://parmaker.com)).

So if you've had a bad experience with a brittle, cheap buggy, make your next purchase a 'built-better', Australian-made Parmaker.
